WHISPERING PINES  
1970

Editor: Mildred Purl

Although the halls of SMJC look the same as they did years ago, many feet have trod the corridors, contributing to the growth and development of the school. The laughter of students has bounced and echoed through the halls, but the quiet of classes hard at work has also crept through the halls. The personalities of these students have seeped into SMJC to create a unique character—a mixture of the good, the fun-loving, the eager, and the studious. SMJC has matured in both personality and curriculum. A spirited interest in our school world and a driving need to answer the challenge of the adult world have demanded that the course of study be improved from that of years ago. In addition each freshman class enters to obtain as much as possible from SMJC. Upon graduating that same class takes a part of SMJC with it; but SMJC retains more than has been taken away. After many years, SMJC has grown to its present commanding stature with grace and dignity.

OFFICE OF PRESIDENT

The Sophomore Class of 1970  
Southwest Mississippi Junior College

Friends:

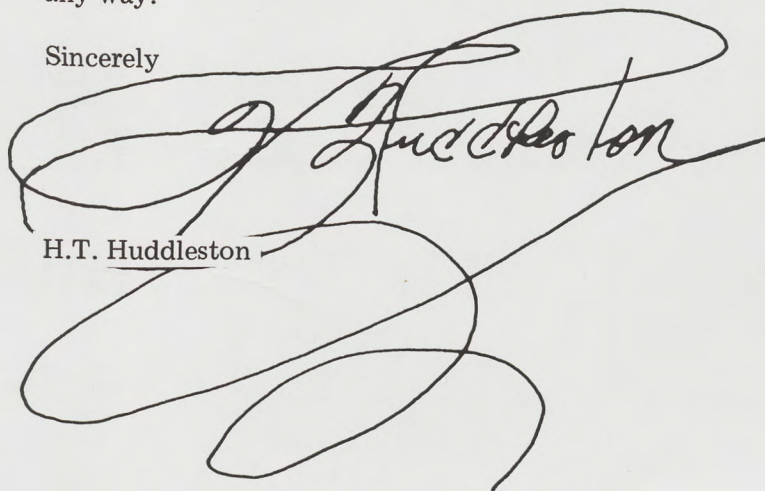

It has been good to have you as students and leaders on the Southwest campus during the past two years. You have meant much to our program.

You are living in and are a part of an all important age. You have observed many accomplishments in the quest of outer-space in spite of the unrest that exists in many parts of our country.

Continue to build on a foundation that will be one of genuine stability, so that when your college days are over and you find your places of leadership in the area where you will reside, you will be able to do more for yourself, your country, and the cause of the Kingdom of God.

Look-up and onward in your search for truth and knowledge, and let us know at Southwest if we can serve you in any way.

Sincerely

A large, stylized handwritten signature in black ink, appearing to read "H. T. Huddleston". The signature is written over the printed name and extends across the width of the page.

H.T. Huddleston

Mrs. Marilyn Brister

## Lindsey McMorris

A place in the Hall of Fame here at Southwest has been well earned by Lindsey. The possession of qualities such as dignity, dedication, and leadership brought about his election to the office of President of the Student Government Association for his Sophomore year. He has been very active on our campus and has done all within his power to assist the school in improving. Being a member of tremendous value, he has contributed much to the Phi Theta Kappa. Lindsey was escort to our Queen in the Homecoming Court this fall. The privilege has been his to participate in the sports of basketball and tennis during his Freshman and Sophomore years. His stupendous personality has won for him many friends and honors. For his impressing qualities, it is with beaming pleasure that he is given a place in our 1970 Hall of Fame.

## Wilma Bates

Characteristics which include dependability, determination, loyalty, and courtesy have given this inspiring student a definite spot in this section of our yearbook. The Student Government Association office of Secretary has been held and well handled by this capable Sophomore girl. Her scholastic ability has permitted her to become a member of the Phi Theta Kappa. Wilma has enlarged her image to many by her interest in the Baptist Student Union and Chorus. Her work with the Whispering Pines has been of tremendous aid. She has enjoyed helping wherever and whenever needed during the past two years. A radiant personality has given her many trusting friends and has created a pleasant atmosphere on our campus. It is with honor that she is placed in the 1970 Hall of Fame.

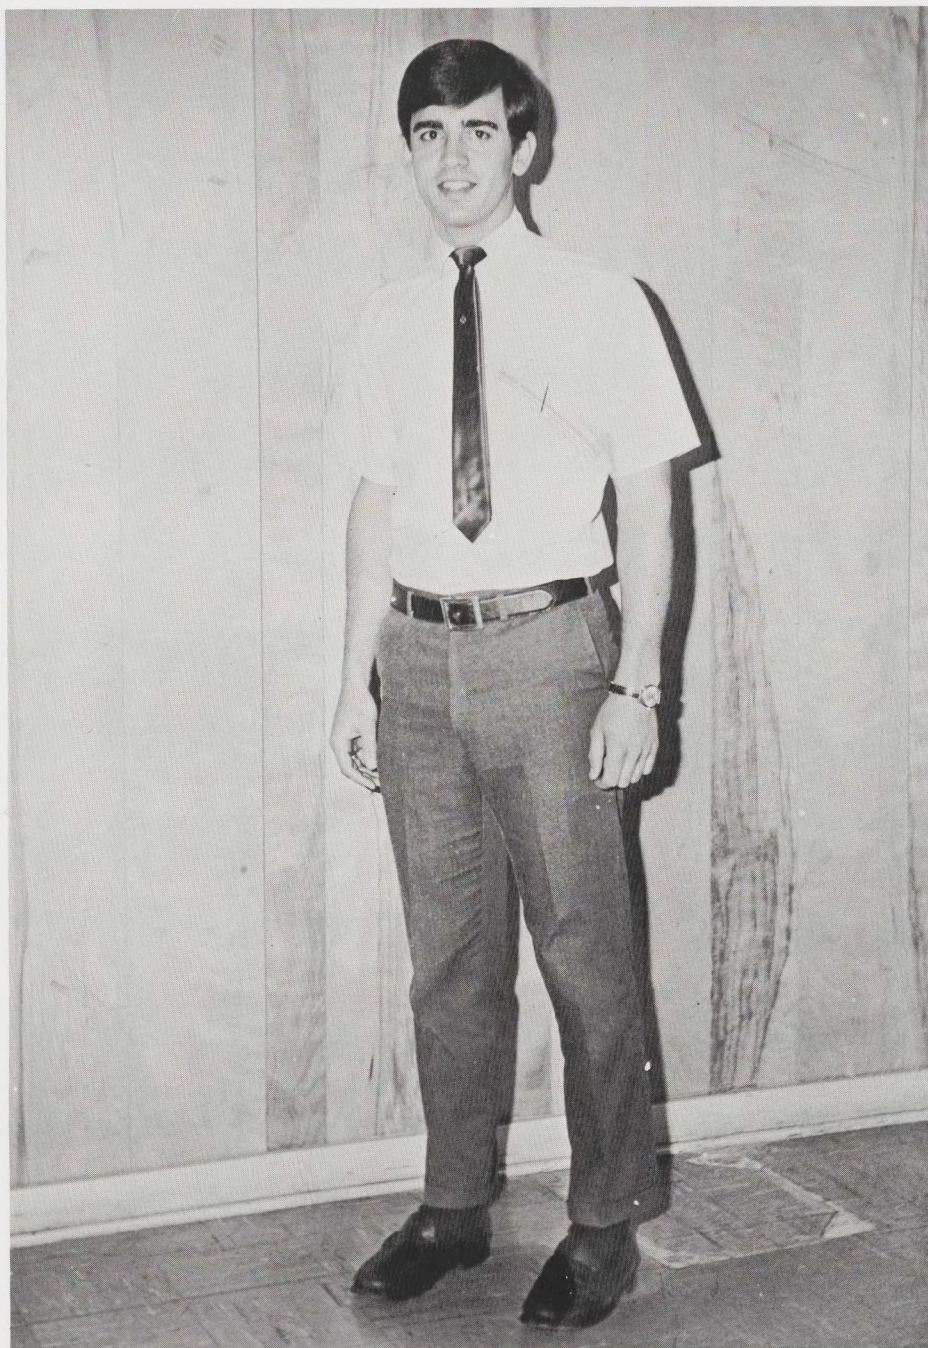

## Patsy Ivy

This outstanding Sophomore girl has contributed much to Southwest. Her scholastic ability and high average has been one factor in securing this position for her. She has gained much admiration through her achievements here at Southwest. Because of her efforts, she was invited to join the Phi Theta Kappa and accepted this honor graciously. Patsy has been an active member of the Baptist Student Union and Pine Burr Staff. She served in the Homecoming Court as maid during her Freshman and Sophomore years. She has held the position as a Beauty in our Who's Who for the past two years. Patsy was also elected by our student body as a maid to our Azalea Court during her Freshman year. We welcome to our 1970 Hall of Fame one who truly deserves this honor.

## Tim Blalock

The quiet sophisticated manner of Tim has earned his place into the Hall of Fame at Southwest through his meeting the requirement of high scholastic achievement. Throughout his attendance at Southwest, he has maintained an impressive average and as a result was elected to the position of Most Intellectual Sophomore Boy in the Who's Who election. He is an active member of the Phi Theta Kappa and a member of the tennis team. As these qualifications characterize Tim, we welcome him into the 1970 Hall of Fame.

Much effort, time, and hard work went into the production of this publication, the 1970 WHISPERING PINES, and because of this, great pride is felt by the Annual Staff in presenting this year-book to you.

With much gratitude, I would like to express my appreciation and thanks to all the members of the staff, for their efforts in advertising, sales, photography, and the many small things that were necessary in putting together the '70 WHISPERING PINES. A special thanks goes to our sponsor, Mrs. Stephenson, without whose help and cooperation the publishing of this book would have been virtually impossible. To Mr. and Mrs. Norman Gillis, Jr. I am exceedingly grateful for granting to us the permission to use their lovely home in the photographing of our Who's Who pictures.

We hope the pleasure, joy, and special memories that you have will seem real again as you turn these pages. I hope that we have captured just a few of the experiences that will bring back memories of your days at SMJC.

The experience of editing this book has been one of great reward. To you, the staff and I present the 1970 WHISPERING PINES.
